1. The EMLL/CMLL/NWA at la Arena Mexico 5.24.91 /6alaw. is -
This is very confusing. I have read several articles for two weeks on
this card and here is the best I can do. Maybe if you've talked to
Konnan you know more.

Scheduled Main Event: Lizmark, Ringo Mendoza, and Máscara Sagrada
(who replaces a re-injured Pirata Morgan) versus Nitro, Perro Aguayo,
and Fabuloso Blondy EXCEPT as of late Thursday Nitro & Blondy
hadn't been able to enter Mexico due to work visa problems so this
may be totally rearranged or it may not. First match with Ringo vs. Perro in 8 months.

Semifinal: Atlantis, Octagón, and Kato Kung Lee I. versus Satánico, el Brazo
de oro, and el Brazo.

Second: Volador, Misterioso (who returns), and Tiburón (debuting for
EMLL) versus Septiembre Negro (debuting for EMLL), Jaque Mate, and
Hijo del Gladiador

Inicial: Astro Boy and Guerrero Samurai versus los Invasores del Norte

PLUS the first round of the CMLL heavyweight tournament

This Friday round 1

Konnan el Bárbaro
el Rayo de Jalisco junior
Black Magic
el Brazo de Plata
Máscara Año Dos Mil
Universo Dos Mil
Casanova el Vampiro Canadiense
el Mongol (The Mongolian Mauler)

Next Friday Round 2

el Egipcio
el Gran Markus junior
el Pirata Morgan
Pierroth junior
